

PROJECT DEVELOPMENT PHASE

SPRINT - 1

IBM CLOUD ACCOUNTS

Date	29-October 2022
Team ID	PNT2022TMID26111
Project Name	Project - Visualising And Predicting Heart Diseases With An Interactive Dashboard.

Swetha B (211519106167)

The screenshot shows the IBM Cloud dashboard for user Swetha B. The interface is in a light theme. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to 'Catalog', 'Manage', and 'Swetha B's Account'. A sidebar on the left contains various icons for navigation. The main content area is titled 'Dashboard' and includes a 'For you' section with several cards: 'Build' (purple), 'Explore IBM Cloud Shell' (2 min), 'Build a data lake' (1 hr), 'Use Cloud Object Storage' (2 min), and 'Set up your IBM Cloud account' (10 min). Below this, there are sections for 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. A user profile dropdown for Swetha B is visible on the right, showing options like 'Profile', 'Log in to CLI and API', 'Privacy', 'Change theme', and 'Log out'. The bottom of the screen shows a Windows taskbar with various application icons and system information like '25°C Cloudy' and the date '10-11-2022'.

Sneha R (211519106149)

The screenshot shows the IBM Cloud dashboard for user Sneha R. The interface is in a dark theme. The navigation bar at the top includes the IBM Cloud logo, a search bar, and links to 'Catalog', 'Manage', and 'Sneha R's Account'. The sidebar on the left has the same navigation icons as the first screenshot. The main content area is titled 'Dashboard' and features a 'For you' section with cards for 'Build' (purple), 'Explore IBM Cloud Shell' (2 min), 'Browse, select, and create a database' (10 min), 'Choose a Database' (5 min), 'Explore offerings' (1 min), 'Welcome to IBM Cloud' (3 min), and 'Db2' (2 min). Below this, there are sections for 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. A user profile dropdown for Sneha R is visible on the right, showing options like 'Profile', 'Log in to CLI and API', 'Privacy', 'Change theme', and 'Log out'. The bottom of the screen shows a Windows taskbar with various application icons and system information like '25°C Cloudy' and the date '10-11-2022'.

Santhiya G (211519106137)

The screenshot shows the IBM Cloud dashboard for user Santhiya G. The interface includes a top navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. The main dashboard area is titled "Dashboard" and features a "For you" section with five cards: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Set up your IBM Cloud account" (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "Use Cloudant" (Cloudant is a managed NoSQL document database that offers serverless scaling of throughput, capacity, and storage), and "Build a Virtual Private Cloud (VPC)" (Upgrade to a paid account to create your own protected space in the IBM Cloud). Below these cards are sections for "News", "Recent support cases", "Planned maintenance", and "IBM Cloud status". The right sidebar shows the user's profile, account settings, and a "Log out" button. The bottom of the screen displays a Windows taskbar with various application icons and system information.

Poornisha L (211519106108)

The screenshot shows the IBM Cloud dashboard for user Poornisha L. The interface is similar to the one for Santhiya G, with a top navigation bar and a main dashboard area. The "For you" section features five cards: "Build", "Set up your IBM Cloud account", "Get Started with Watson Studio", "Get started with Watson Discovery" (Get up to speed on Watson Discovery with step-by-step tutorials, deep-dive videos, and complete examples of working code), and "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel). The right sidebar shows the user's profile, account settings, and a "Log out" button. The bottom of the screen displays a Windows taskbar with various application icons and system information.
